

TEMPTATION, RUN!

OTC and Prescription Medication

The medicine you have in your home is helpful only when it's taken at the right time by the right person. That same medication, however, can produce tragic results when the wrong person tries to use it for the wrong reasons.

Give examples of good and bad uses of the medications listed below:

Cold medicine:

Diet pills:

Baby Aspirin:

Sleeping Pills:

TEMPTATION, RUN!

Good or Bad Influence?

Your friends and neighbors can be a good influence on you or they can tempt you into heading down the wrong path.

What kind of bad advice could "friends and neighbors" give you concerning:

Crystal Meth:

Marijuana:

Crack:

Alcohol:

Heroin:

Gasoline:

Ecstasy:

Cigarettes:

TEMPTATION, RUN!

Addiction

Addiction to drugs can begin with something as simple as a dare or trying to fit in with your friends. Where it leads, however, is far from innocent. What are the results of addiction?
